"Let's Ride" NATRC Seminar Series 2020

NATRC members--sign up now for the next "Let's Ride" webinar!

June 24, 2020. 7 PM Central.

This will be a two-part talk. Part 1 will go over the basics of an NATRC map and using it to stay on trail. Part 2 will focus more on strategies using the map to pace your ride, stay on time, and maintain your desired position in your ride window. Also, if you get out of your time window, offering tips on getting back in your window while taking care of your horse and minimizing damage to your ride score.
