The Ride is sanctioned by the NORTH AMERICAN TRAIL RIDE CONFERENCE and will be conducted under the rules as published in the 2025 NATRC Rule Book.

OPEN DIVISION is timed for a well-conditioned horse that can trot evenly on the flats and walk fast up and down slopes. Horse must be 5 years or older. The distance is 30 miles a day or 50 to 60 for the weekend at 4 - 6 mph. COMPETITIVE PLEASURE DIVISION is for those experienced competitors who don't want to advance to the faster pace in the Open Division nor be in competition with those in the Novice Division. Good conditioning is important for the ride. Horse must be 4 years or older. The distance is 20 miles a day or 35 to 40 for the weekend at 3.5 - 5 mph. NOVICE DIVISION is timed at brisk and steady walk. Horses must be 4 years or older. The distance is 20 miles a day or 35- 40 for the weekend at 3.5 - 5 mph. LEISURE DIVISION classes are Experienced, Adult and Junior. The distance is about 10 miles for the day.

Weight classes for this year have been combined, all adults in Open, CP and Novice will ride in one class per division. Juniors are 17 years and under, no weight restrictions.

JUNIORS must wear an ASTM/SEI, Snell, or approved equal equestrian riding helmet at all times while mounted.

REGULATIONS - You are in competition from the time you present your horse for pre-ride examination on Friday (Saturday for Sunday's B) until final vet check on Sunday. LEISURE Division checks in on Saturday or Sunday morning and final check is Saturday or Sunday afternoon. Riders 12 and under must ride with an adult sponsor or a junior sponsor 13 or older with more than 250 NATRC miles with a limit of two per sponsor. A saddle is required on the ride, but there are no restrictions on type of equipment used. At camp, horses can be trailer tied or in portable corrals that are securely fastened to the trailer. Hay or other feed is not available for purchase. Stallions must be double tied and ridden only by an adult. After 10:00 pm on Fri & Sat, all should be quiet so we can rest for the next day's ride. **Dogs must be on leash and well behaved; not allowed in management, common areas or on the trail; absolutely no loose or noisy dogs. ABSOLUTELY NO SMOKING ON THE TRAIL.** Water will be available for horses in camp; bring your own to drink. Because camp is far from stores, bring necessary food and supplies with you. There are no hookups, but toilet facilities are available. Eating together is part of the fun, plus a way to make new friends, but **MEALS MUST BE RESERVED IN ADVANCE SO WE WON'T RUN OUT.** If, due to extenuating circumstances, a rider finds it necessary to leave *prior* to announcement of awards, riders must advise both ride chairman and appropriate division judges (Rulebook Section 5-A-5, pg. 5-1).

Entry not valid without signed & dated liability waivers.

Directions: (See below for maps)

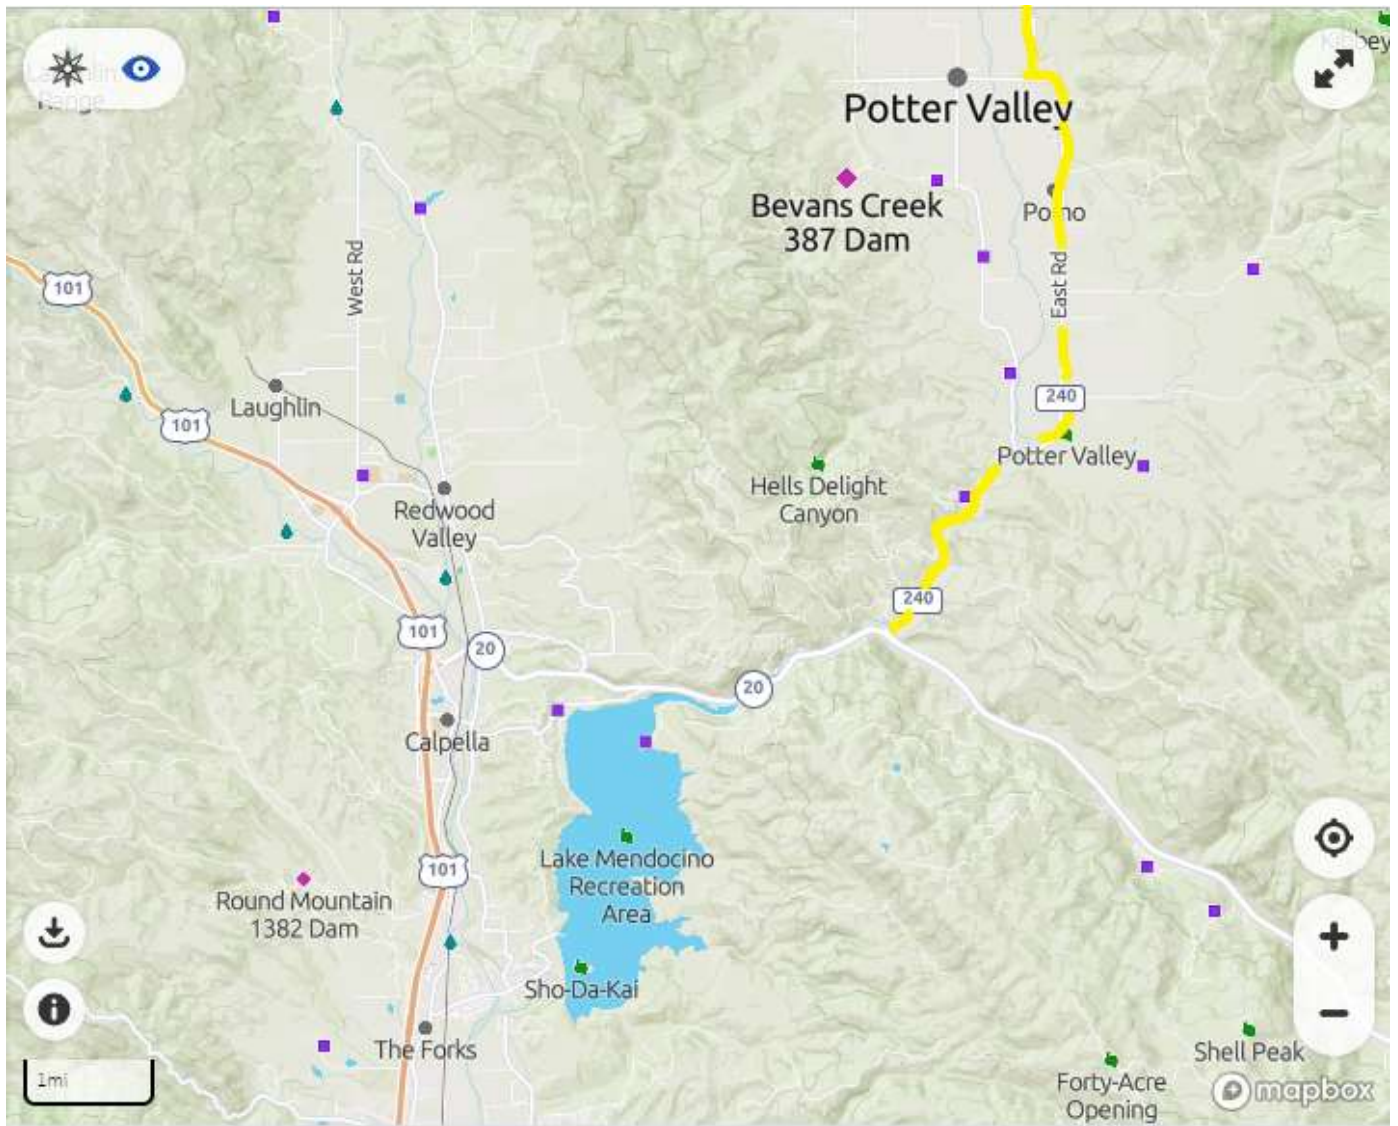

From the east, take Highway 20 West from Williams towards US 101 about 72 miles; watch for signs for the Potter Valley turnoff. Just as a passing lane begins, get in the right lane and into the right turn pocket. You are now on Potter Valley Rd.

From Hwy 101, take the Hwy 20 East turnoff (towards Lake County). Go about 4 ½ miles, watch for signs to Potter Valley, turn left onto Potter Valley Rd.

Go about 6 miles on Potter Valley Rd. After the road makes a hard left turn, make a right onto Eel River Rd (right turn at Hoppers Saloon). Drive 4 miles on Eel River Rd to the Cutoff. Stay left at the Cutoff and a right at the bottom of the hill. Cross the Eel River Bridge and turn left onto Ridgeway Highway (this is a 2 lane county road, not a highway). Go 4 miles to the ranch gate, camp is ¼ mile past the gate on the left

GPS address 22500 Ridgeway Hwy, Potter Valley, CA. The drive takes about 40 minutes from the Hwy 20/ Potter Valley Rd turn

RAFFLE!!

Lots of good stuff

Fun facts about the Circle X Ranch:

The ranch has been in the Todd family since the early 50's. It covers nearly 3,000 acres and is bordered by the Eel River one side and the Mendocino National Forest on the other. The ride will cross the river and into the 4000 acre Eddie Ranch. Camp elevation is about 1500 ft and some of the ride (Open riders) reaches 3800 ft. There is a mixture of heavy pine forest and open meadows with lots of ponds on this ranch. The Warden Ranch next door is now part of the ride and covers nearly the same acres and elevation.

The campsite is a beautiful meadow and a shady tree filled picnic area with running water and portable toilets and even a tree swing!
